

### REMARKS

Applicants wish to thank the Examiner for the allowance of Claims 1-14, as noted in the Notice of Allowance dated October 12, 2004.

Applicants have noted some clerical errors in the Specification and accordingly are filing this Rule 312 Amendment to correct these clerical errors. More particularly, Table 1 is amended to correct the second instance of "3 (Comparative)" to "5 (Inventive)" and the third instance of "3(Comparative)" to "6 (Inventive)".

No new matter is added by the amendment to the Specification. Entry of this amendment will not require any searching or consideration of new issues, and will not require reopening prosecution. Thus, entry is respectfully requested.

Respectfully submitted,
